APTA Pediatrics Diversity Definitions

APTA Pediatrics Diversity Wheel

APTA Pediatrics Diversity Definition: Diversity is the presence and celebration of the rich differences and characteristics, both individually and collectively, among our organization.

APTA Pediatrics Belonging Definition: A member's feeling of a sense of being secure, accepted, and valued in our organization to be one's authentic self.

APTA Pediatrics Inclusion Definition: Building a culture of belonging by actively inviting the contribution and participation of all members and creating environments in which all individuals and groups can be and feel welcomed, respected, and supported.
