Dear Conference Attendees:

On behalf of the citizens of Hamilton County, it is my pleasure to welcome you to the Academy of Pediatric Physical Therapy Annual Conference.

I commend you for the continuous work you do to improve the lives of children and their families, as well as adults with disabilities, through your research and care provision. It takes a special person to work with children on a daily basis and be able to form the type of bond needed to not only motivate them, but to secure their trust and friendship. I am confident that throughout the years each of you has been personally touched by many patients.

I would like to thank you for the extremely important work that you do, and for your diligence in furthering your knowledge by attending this conference.

I hope you enjoy your stay in our wonderful community, and that you will visit us again soon.

Best wishes for a successful and productive conference.

Sincerely,
