#### We Need Your Input!

Hello EI SIG Members,

The Early Intervention Special Interest Group (EI SIG) leadership team is trying to determine the direction for the EI SIG's activities based on your needs as a SIG member. Please take a few minutes to complete the 10-question [EI SIG survey](#).

We appreciate your input on the types of potential support, programs, and activities that could provide support for pediatric physical therapists working in early intervention settings. Please complete the survey by April 1, 2010.

If you have any questions, please feel free to contact me.
