New Professional Chair

- Strat Plan
 - Board is committed to Students and New Professionals
 - Only thing they did not fund is having money for the SNP board to attend CSM or SoPAC/APPTC
 - Getting a pull-up banner to put with the booth
 - Goal to have someone at the booth at all times to explain SNP, but we will be represented with the banner even when a SNP person is not there
 - Promote the SNP hashtag: #pedsSNP
 - Stickers on namebadges
 - Photo examples with the hashtag
 - Business cards with all of our info so people know it's more than just a hashtag, it's a whole community
 - \$300 for props for photo booth (<http://www.kandycreations.net/2011/03/how-to-make-photo-booth-backdrop.html>) [weddingbee.com/build-your-own-photo-booth---how to make photo booth out of PVC pipes](http://weddingbee.com/build-your-own-photo-booth---how-to-make-photo-booth-out-of-pvc-pipes)
 - Banner that they stand in front of (use PVC pipe and a sheet-- paint on the curtain; would then be collapsible to travel to and from conferences)
 - Can get templates on pinterest
 - Can also purchase pre-made photo booth props
 - Goniometers, gait belts, kid toys
 - If you have any ideas, email them out!
 - Would the conference center have those blank backgrounds or should we bring our own?
 - Will check out the situation at SoPAC and then will decide
- SoPAC
 - Invites for the mixer (Haley can help)
 - Have 1 person always at the booth
 - To answer questions about the SNP group

- To help Academy members with social media questions
 - You do not have to attend SoPAC to vote!
 - Have to be graduated PTs (sorry students)
 - Use an iPad and take pictures of people voting throughout the conference
 - Meeting to talk about what we do and have a signup
 - Will also be posted online
 - If you need help with a project or have a committee idea, let Ken know beforehand
 - If not at SoPAC, would you want to call/listen in? Would you want to say anything?
 - ie. Nik talking about the Twitter discussions, explaining his role
 - Everyone can listen in
- At next meeting:
 - Re-visit our roles and make sure they are clear for explaining at SoPAC
 - Plan for SoPAC
 - What we are going to say; how we are going to say it
- Survey results
 - Biggest result is people haven't heard about us
 - Want to be contacted through social media and email
 - Want sessions at SoPAC and CSM related to treatment

- Next planned Twitter Discussion: 9/21 (unless this will interfere with Journal Discussion) or 9/28--journal discussion is 9/19!
 - Average view time is about 10 minutes (average video length is 30-40 min); think about shortening the video?
- Planned topic: Pediatric Oncology (September is Childhood Cancer Awareness Month) - love this idea!!!
- Suggestions? Volunteers available who would like to host a Discussion?
 - Focus more on treatment vs. research?

Old Business

New Professional Chair

- Sopac -- what's going on and housing
 - If going, send email to Ken
 - Saturday is SNP Day!
 - Let Ken know of any volunteer opportunities that you have because we want to have immediate opportunities available for people attending SoPAC
 - Have someone at the Academy's booth at all times so SNP is represented
 - Working on getting a ribbon to signify the SNP group
- CSM
 - Please try to go!
- Video project
 - Photo booth at SoPAC (see below)
 - Video welcome letter for new members? Ken will ask Britta for more information and get back to us
- Survey
 - Keep advertising, takes less than 1 minute
 - We have been getting some responses
 - Ken will send out a full report later
- Newsletter Position
 - If you know of anyone who would be interested in that role, please let Ken and Andrea know

Student Chair

- Whiteboard/video idea:
 - Not able to attend SoPAC - can someone take the photos for me?
 - What we will need: 2-3 white board and dry eraser markers
 - Do we have any funds? I can also just purchase them too
 - Can do at SoPAC, CSM, and NSC
 - Create hashtag before the conference

Meeting Director

- Everyone come up with a short bio about themselves for the website? Plus a picture.
 - Website mock-up: <http://sopsnpcom.wix.com/pedsaptasnp>
 - For example:
 - Sara graduated with her DPT in 2014 from The Ohio State University. She then moved to Texas and worked in an outpatient clinic with both adults and children, before finally moving to Massachusetts and pursuing pediatrics full-time in Early Intervention. What she loves most about working in pediatrics is the amount of impact you can have on a child at this young age, which will benefit them for years to come.
- Sent out welcome emails
 - No responses-- possibly due to summer (we did not send out emails last summer, but waited to do all of the new members in September)

Communications

Membership

- Send out emails, no responses :(
- Has anyone taken survey?
- Will forward information about next journal discussion once she gets it (most likely another month from now)
